Food For the Needy Project

Current Major Project:
Drapes for the auditorium

Mrs. Ardella L. Reed began teaching Special Education at Robinson Junior High School in 1947. In 1959 she transferred to Home Economics. For many years she served as advisor to the Future Homemakers of America (FHA) Club at Robinson, stressing poise, charm, and good grooming, as well as home-making skills. Many Robinson graduates still remember FHA and Mrs. Reed for her immeasurable concern for them.

Mrs. Reed has been advisor to the Student Council since 1968, influencing and helping to motivate a sizeable number of Robinson's student body. The Student Council, through Mrs. Reed's guidance, has sponsored and benefited both the staff and the student body. Some of the contributions are listed on this page, from 1968 - 1976.

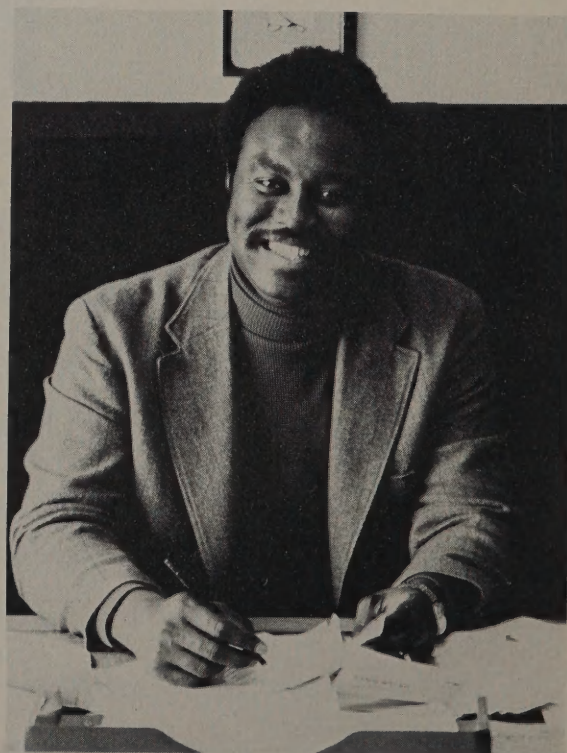

The Yearbook Staff takes this opportunity to say, on behalf of the Robinson Staff and student body, "Mrs. Reed, and past and present members of the Student Council, we appreciate not only what you have done, but we appreciate YOU!"

MR. ROBERT SMITH, Principal

MS. BILLIE JEAN MADISON,
Coordinator of Girls

MR. STANLEY WOODY,
Coordinator of Boys
